Exhibition on Industries and Technologies of Fukui

An exhibition located in the B1 Floor foyer and International Hall of the Fukui Chamber of Commerce and Industry Building features promotional displays on the industries and technologies of Fukui Prefecture, such as traditional craft products and local businesses; e.g. eyeglasses and textiles, as well as technologies unique to Fukui that we are especially proud of. In addition, an exhibition will introduce the “Fukui Cool Earth Next Generation Energy Industrialization Project” aiming to reduce greenhouse gases.

We encourage you to visit the exhibitions to learn more about all Fukui has to offer!
